

# BarcoGraphics 6500

The BarcoGraphics 6500 delivers startling bright images for powerful presentations in large meeting venues, auditoriums, bright boardrooms, and training facilities. This extremely silent projector offers ultra-high brightness levels (up to 4,000 ANSI lumens), unmatched installation flexibility and includes state-of-the-art XGA polysilicon panels. Thanks to its optional network capabilities, the 6500 Series can easily be integrated in the company network, reducing the total cost of ownership.
